³ "Public accountancy services" means the audit and reporting on financial statements and the doing of such other acts that are required by any written law to be done by a public accountant.

		Far East Hospitality Trust
<p>The majority of the ACRA Board and the PAOC are made up of non-practitioners, hence ACRA's governing body and its committee overseeing audit regulation in Singapore are independent of the audit profession.</p>		
<p>3.2 What are the eligibility criteria / requirements and composition requirements for the members of the governing body?</p> <p>The Accountants Act provides that at least one member of the PAOC shall be a public accountant. ACRA ensures the PAOC's independence from the audit profession by ensuring that the majority of the PAOC comprise non-audit practitioners. The Chairman of the PAOC is also independent from the audit profession and is not a public accountant.</p>		
<p>3.3. Is each member of the governing body independent from the audit profession? The audit profession includes, for example: audit firms, professional accountancy bodies and bodies or entities associated with the audit profession.</p> <p><input type="checkbox"/> Yes <input checked="" type="checkbox"/> No</p>		
<p>3.4 If the answer to question 3.3 is "No", is the majority of the members of the governing body non-practitioner?</p> <p><input checked="" type="checkbox"/> Yes <input type="checkbox"/> No</p>		
<p>3.5 If the answer to question 3.3 is "No", which safeguards are in place to provide for the Member's overall independence from the audit profession?</p> <p>As a general principle, ACRA Board members are required to declare all interests such as directorships and external committee appointments upon their appointment by ACRA and also from time to time (arising from changes in appointments). They will also be recused from meetings / agenda items which they are deemed to potentially be in a situation of conflict of interests.</p> <p>For the PAOC (the deciding authority on audit regulatory and oversight matters), the Accountants Act provides that at least one member of the PAOC shall be a public accountant. Independence is safeguarded with ACRA ensuring that the majority of the PAOC comprises non-practitioners. Further, the Chairman of the PAOC is independent from the profession and is not a public accountant. In the case of an equality of votes, the Chairman of the PAOC shall have a casting vote.</p>		

	<p>3.6 Is there a restriction or recusal process that is applicable to members of the governing body of the Member who are current or former auditors/practitioners?</p> <p><input checked="" type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>Does this include a “cooling-off” period for former auditors?</p> <p><input type="checkbox"/> Yes <input checked="" type="checkbox"/> No</p> <p>If yes to either of the above, please describe:</p> <p>PAOC members who are audit practitioners or former audit practitioners are recused from meetings / agenda items in which they are deemed to have an interest in (e.g. deliberation of audit inspections of their own / previous firms).</p>
	<p>3.7 Other than the governing body, are members of the profession involved in the Member’s organization (including in any inspections, committee or panel role)?</p> <p><input checked="" type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>If yes, please describe their role with an appropriate level of detail, including the ratio between those who are independent and those who are not in the relevant function and whether such role includes decisional or control authority:</p> <ul style="list-style-type: none"> • The inspection of public accountants in the non-listed segment is performed by inspectors who are employed by the Institute of Singapore Chartered Accountants (ISCA), under the oversight of ACRA. The same authority (PAOC) approves the appointment of these inspectors and decides on the outcomes of inspections in this segment. Hence, the same benchmark of compliance with auditing standards is maintained across all inspections. • There is a Practice Monitoring Sub-Committee (PMSC) which comprises audit practitioners and lay members, that assists the PAOC in reviewing the inspection reports submitted by the inspectors. The PMSC deliberates the inspection findings and provides recommended outcomes to the PAOC. The final deciding authority on the inspection outcomes and sanctions lie with the PAOC.
<p>4. Funding Arrangements</p>	<p>4.1 Describe the main funding arrangements of the Member, including the setting and approval of the budget and the fees, if any:</p> <p>ACRA is a statutory body established by Act of Parliament. The composition of funds and property of ACRA is set out in section 13 of the ACRA Act. In practice, ACRA is self-funding. Its main sources of income are from statutory fees payable under the Acts administered by ACRA (e.g. company, business, public accountant and corporate service provider registration and related fees) and fees from provision of information services related to such entities.</p>

	<p>On the setting and approval of budget, ACRA’s finance department will first seek inputs from the various departments. Following which, the finance department will seek ACRA Board’s approval for the overall budget. Once approved, ACRA’s parent ministry (the Singapore Ministry of Finance) will be informed of this budget, which will be gazetted as a public announcement.</p> <p>4.2 Is the funding free from undue influence by the profession?</p> <p><input checked="" type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>Please describe with an appropriate level of detail the safeguards in place to prevent undue influence by the profession:</p> <p>ACRA receives fees from the registration of public accountants and public accounting entities, renewal of public accountants’ license and audit inspections. These, however, do not form a significant portion of ACRA’s funding. Hence, ACRA’s funding is not reliant on and cannot be reasonably influenced by the audit profession.</p>
<p>5. Inspection System</p>	<p>5.1 Does the Member have the responsibility for recurring inspections of audit firms undertaking audits of public interest entities (PIEs)?</p> <p><input checked="" type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>5.2 Is this responsibility undertaken directly or through oversight of inspection conducted by another organization?</p> <p><input checked="" type="checkbox"/> Directly <input type="checkbox"/> Through Oversight</p> <ul style="list-style-type: none"> • If directly, kindly provide a brief description or summary of the responsibility, including the regulatory reporting process after inspections i.e. recommendations issued, follow-up, etc.). • If through oversight of another organization, please describe with an appropriate level of detail the other organization, its relation to the Member, its role, and the arrangements for oversight: <p>ACRA inspects public accountants in accounting entities that audit listed companies and other public interest entities (PIEs). It reviews the firm’s quality control policies against the Singapore Standard on Quality Control 1 and recommends improvements where appropriate.</p> <p>Public accountants that do not audit PIEs are inspected by practice reviewers employed by ISCA and appointed by the PAOC. More details on ISCA’s involvement are in our response to Question 3.7.</p> <p>5.3 Please describe with an appropriate level of detail the requirements and practices regarding the frequency of inspections:</p>

	<p>Public accounting entities with a client portfolio of more than 10% share of the market capitalisation of listed entities in Singapore will be inspected annually. These are typically the Big-4 audit firms. Other public accounting entities that audit listed entities will typically be inspected once every three years, unless a previous inspection result had not been satisfactory in which case, the following inspection may be brought forward.</p>
<p>6. Audit and Financial Market</p>	<p>6.1 Provide the number of audit firms subject to inspections. Include an indication of the number of public interest audits (PIEs) and other audits that fall under the Member's oversight or mandate.</p> <p>Number of registered public accounting entities and public accountants (as at 31 March 2021)</p> <p>We categorise our inspections into two segments:</p> <ul style="list-style-type: none"> i) Firms that audit listed entities: 16 public accounting entities (377 public accountants) ii) Firms that audit non-listed entities: 692 public accounting entities (786 public accountants) <p>6.2 What are the sizes and market shares of each of the largest audit firms in the Member's jurisdiction?</p> <p>The Big-4 audit firms collectively audit approximately 54% of the 697 entities listed on the Singapore Exchange as at 31 December 2020, (representing about 70% of the total market capitalisation), and the remaining listed entities were audited by the medium-sized audit practices.</p>
<p>7. Main Other Responsibilities of the Member within the area of Audit Oversight</p>	<p>7.1 Please indicate whether the Member has responsibility for tasks other than Inspections within the area of Audit Oversight:</p> <ul style="list-style-type: none"> <input checked="" type="checkbox"/> Registration/Licensing <input checked="" type="checkbox"/> Audit and/or Ethics Standard Setting <input checked="" type="checkbox"/> Permanent Education of Auditors <input checked="" type="checkbox"/> Enforcement <input type="checkbox"/> Other: _____ <p>Besides administering audit inspections, the PAOC's statutory responsibilities in respect of audit oversight include:</p> <ul style="list-style-type: none"> • Considering all applications for the registration of public accountants; • Determining, prescribing and reviewing the requirements to be satisfied by individuals seeking to be registered as public accountants; • Approval of accounting corporations, accounting firms, and accounting limited liability partnerships; • Administering the continuing professional education programmes for public accountants;

7.2 If the Member has the responsibility for Registration/Licensing, please indicate whether this responsibility is undertaken directly or through oversight of Registration/Licensing conducted by another organization?

All public accountants and public accounting entities seeking to provide public accountancy services are required to register with ACRA.

To register as a public accountant, an applicant has to satisfy prescribed requirements relating to qualifications, practical experience, continuing professional education and membership of ISCA.

The general requirements for the setting up public accounting entities in Singapore include:

- a) One of the primary objects of the entity must be to provide public accountancy services.
- b) The business of the partnership/corporation insofar as it relates to the supply of public accountancy in Singapore must be under the control and management of one or more partners/directors who are ordinarily resident in Singapore.
- c) At least two-thirds of the partners/directors must be public accountants (if the partnership/corporation has two partners/directors, then one of those partners/directors must be a public accountant).

ACRA PAOC approves the applications for registration of public accountants and public accounting entities. The structure and composition of ACRA's PAOC is as provided in Section 3 above.

Singapore's auditing and assurance standards are issued by ISCA, Singapore's national accountancy professional body. Prior to standards issuance by ISCA, all auditing and assurance standards are submitted to ACRA PAOC for approval. For the purpose of administering ACRA's audit inspection programme, ACRA adopts the Singapore Standards on Auditing (SSAs) issued by ISCA as the standards upon which the public accountant's audit work will be assessed. The SSAs are substantially the same as International Standards on Auditing, with modifications made in some cases (e.g. to conform to local legislative requirements).

ACRA is also responsible for setting the Code of Professional Conduct and Ethics for Public Accountants and Accounting Entities (the 'Code of Ethics'). A sub-committee appointed by the PAOC called the Ethics sub-committee assists the PAOC in reviewing the Code of Ethics for the PAOC's approval. ACRA's Code of Ethics is largely based on the International Ethics Standards Board for Accountants (IESBA)'s Code of Ethics with some modifications and additional provisions for Singapore public accountants (SG provisions).

7.4 If the Member has the responsibility for Permanent Education of Auditors, please indicate whether this responsibility is undertaken directly or through oversight of Permanent Education of Auditors conducted by another organization?

Directly Through Oversight

- If directly, please describe the responsibility with an appropriate level of detail.
- If through oversight, please indicate the name of the other organization and its composition (i.e. whether practitioners from the audit profession are involved in decision-making). Also give a description of the powers of the other organization and procedures applied, as well as the role of the Member in these procedures.

All public accountants must undertake continuing professional education (CPE) in accordance with the CPE syllabus approved by the PAOC for purposes of

	<p>registration as a public accountant and annual renewal of certificates of registration. The CPE syllabus approved by the PAOC are set out in Practice Direction No. 2 of 2010: Revised CPE Syllabus for Registration as a Public Accountant and Renewal of Certificate of Registration. This will be replaced by the revised CPE syllabus and requirements set out in Practice Direction No. 1 of 2021 which will apply to applications for registration submitted on or after 1 January 2023 and the renewal of certificate of registration for 2023.</p> <p>7.5 If the Member has the responsibility for <u>Enforcement</u>, please indicate whether this responsibility is undertaken directly or through referral to other organization(s)?</p> <p><input checked="" type="checkbox"/> Directly <input type="checkbox"/> Through Referral</p> <ul style="list-style-type: none"> • If directly, kindly provide a brief description or summary of the enforcement responsibility, the procedure and process involved, including the regulatory reporting process that led to disciplinary action. • If through referral, please indicate the name of the other organization and its composition (i.e. whether practitioners from the audit profession are involved in decision-making). Also give a description of the enforcement powers of the other organization and procedures applied, as well as the role of the Member in these procedures. <p>Under ACRA’s audit inspection programme, ACRA inspects audits performed by individual public accountants to check if they have complied with the auditing standards. The PAOC may impose orders and sanctions against individual public accountants for failure to comply with the auditing standards.</p> <p>Aside from audit inspections, ACRA has a complaints and disciplinary process to deal with complaints about the conduct of public accountants and accounting entities. Where a case has been made following ACRA’s review of the complaint, the PAOC directs the case to the Complaints Committee and/or Disciplinary Committee for an inquiry. Based on outcome of the enquiry and recommendations by the Complaints Committee or Disciplinary Committee, the PAOC may impose orders against the individual auditor and/or the accounting entity.</p> <p>7.6 If the Member has the responsibility for other tasks within the area of Audit Oversight, please describe with an appropriate level of detail:</p> <p style="text-align: center;">-nil-</p>
<p>8. Main Other Responsibilities of the Member <u>outside</u> the area of Audit Oversight</p>	<p>8.1 Please describe with an appropriate level of detail whether the Member has responsibility for tasks outside the area of audit oversight such as Supervision of Financial Reporting or Securities Regulation:</p> <p>Besides audit regulation, ACRA is the national regulator of businesses, companies and corporate service providers in Singapore. Generally, ACRA's functions are set</p>

	<p>out in section 6 of the ACRA Act. These include the administering the following Acts (aside from the Accountants Act):</p> <ul style="list-style-type: none"> • Business Names Registration Act; • Companies Act; • Limited Liability Partnerships Act; • Limited Partnerships Act; and • Variable Capital Companies Act <p>In relation to financial reporting, ACRA enforces director’s compliance to lay at annual general meetings financial statements that comply with the prescribed accounting standards in Singapore. Major Events and Activities</p>	<p>9.1 Describe any recent major events and activities:</p> <ul style="list-style-type: none"> ○ Public consultation of Accountants (Amendment) Bill <ul style="list-style-type: none"> ▪ ACRA launched a 1-month public consultation in Oct/Nov 2021 to seek feedback on the proposed amendments to the Accountants Act. The proposed amendments seek to promote audit quality, in order to enhance Singapore’s standing as a trusted business location through better assurance of information available to investors and the public. To achieve these, the draft Accountants (Amendment) Bill 2021 includes key amendments to enhance the audit regulatory regime and introduce measures for better compliance with professional requirements and standards by both public accountants and accounting entities. These amendments also align Singapore’s regulatory practices with those in jurisdictions that have established independent audit regulation. <p>Please refer to https://www.acra.gov.sg/legislation/legislative-reform/listing-of-consultation-papers/proposed-amendments-to-the-accountants-act for a summary of the key amendments.</p> ○ Merger of ACRA, SAC and ASC Secretariat <ul style="list-style-type: none"> ▪ In Jul 2021, the Ministry of Finance (MOF) announced that it will merge the accountancy-related units in ACRA, the Singapore Accountancy Commission (SAC), and the Accounting Standards Council (ASC) secretariat into a strengthened accountancy function under one entity (“Merged Entity”). ▪ The Merged Entity will retain the name Accounting and Corporate Regulatory Authority (ACRA), which encompasses the enlarged functions of the Merged Entity, and is well-recognised by accountancy and business stakeholders. ▪ The merger is expected to be formed and commence operations in the 2nd half of 2022.
