

International Forum of Independent Audit Regulators

PRESS RELEASE

New Member

The International Forum of Independent Audit Regulators has admitted the Abu Dhabi Accountability Authority as a Member, thus bringing the membership up to 28 jurisdictions.

13th March 2009

Note for editors

IFIAR was established by independent audit regulators in 2006 to share knowledge of the audit market environment and practical experience of independent audit regulatory activity, to promote collaboration in regulatory activity, and to provide a focus for contacts with other international organisations which have an interest in audit quality. Further information about IFIAR can be found at www.ifiar.org.
